

Fiesta New Mexico 2012 Officials Announce Registration Opening Date – February 26

Sunday, February 26th will be the opening day for registration for Fiesta New Mexico 2012, according to co-chairs Liz Shaw and Jo Martin of PCA's Roadrunner Region, sponsor of the event. The Fiesta, held in Santa Fe, New Mexico, is the premier multi-region, multi-event weekend for Porsche lovers in the Southwest and around the country.

“Fiesta is a 35 year-plus tradition for the Roadrunner Region,” said Liz. “We want to invite all PCA'ers from the Southwest and around the country to join us for fun, friendly competition, and the great atmosphere of historic Santa Fe.”

This year, the Fiesta runs from Thursday, May 24th through Friday, May 27th. Events include a welcome party, concours d'elegance, autocross, road rally and several driving tours of the scenic northern New Mexico mountains. The Santa Fe Hilton at the Plaza is the official Fiesta headquarters hotel.

New venues for Fiesta events include a return to the historic Santa Fe Plaza for the concours d'elegance, in the heart of over 400 years of Southwest history and culture. Also for 2012, the autocross will be contested in Santa Fe itself.

A banquet on Sunday, May 27th featuring guest speakers Betty Jo Turner, editor of Porsche Panorama, and her husband, Leonard Turner, one of PCA's foremost photographers, caps off the weekend's festivities.
